

No need to set up risers

Even though you won't be able to physically meet with your ensemble, you can still have your singers rehearse with SmartMusic.

Step 1: Create Your Class

You need a place for your singers to gather remotely.

Need help? [Try the SmartMusic Academy course.](#)

Step 2: Enroll Singers

Share your class code and give every singer access to SmartMusic.

Step 3: Upload Your Own Content or Exercises

Upload your own exercises to help singers master new repertoire.
