

**National Call for
Repertoire and Resources Positions
Deadline is June 15, 2023 at 11:59pm central time**

The ACDA National Repertoire and Resources team is seeking to fill four open leadership positions.

Open positions:

2-year College/University Co-Chair (added 5/11/2023)

Collegiate Choirs Coordinator

Lifelong Choirs Coordinator

Senior High Chairperson

Worship in Music Chairperson

The R&R team creates programming, curates repertoire lists, offers guidance in resource acquisition and utilization and is driven to provide collegial and collaborative relationships for ACDA members. The team is responsible for many elements of National Conference programming, but also is responsible for developing programming for non-conference related events. The focus, Project360, is the R&R commitment to the development of year-round programming, outside of conferencing activities. R&R team members also contribute to the Choral Journal on a preset rotational basis.

A successful candidate will demonstrate strengths including visionary leadership, strong communication, collaboration and problem-solving skills in addition to a “self-starter” mentality useful for out-of-the-box thinking. Prompt, concise communication skills are a must. It is expected for R&R team members to attend the National Conference on odd years and a Regional conference on even years. Candidates should have demonstrated experience in leading related R & R activities at the local, state, Region, or National level.

If selected for a leadership position, you will serve a two-year term, renewable twice, for a possible total 6-year term of service. The renewal of term is extended by the National Chair. The first term begins on July 1, 2023.

To apply:

- Submit your CV (PDF); and
- Submit a letter of interest that addresses why you are interested in this role, the specific skills you will bring to this role, and a vision statement for this role. No more than 2 pages maximum. (PDF)

Submit your application by visiting <https://acda.org/repertoire>.

Application collection will close on June 15. Applicants will be notified between June 26-28.

The new leaders will assume position responsibilities on 7/1/2023.

Your consideration is greatly appreciated. Your desire to serve ACDA in this capacity is heroic.
